We, the Nordlys Staff, dedicate this Nordlys to the Seniors of 1956.  
We hope "The Modern Look" will be a look into the future for all of  
the student body of Northeast Highschool.

The Nordlys Staff offers no excuses for its shortcomings. We have  
done our best to make this yearbook as nearly as possible a brief  
review of the wonderful memories we have had here at Northeast.  
The happenings and events we thought most worthy have been record-  
ed in this Nordlys.

We hope in later years as you turn the pages of this yearbook it  
will bring back memories of our ALMA MATER and our highschool  
days at Northeast.

J. B. Greene, the principal of Northeast High School, is a man with a very fine personality and professional attainment. He has been principal of Northeast since it opened in 1937.

He and his faculty were laying the foundation for the future of the boys and girls at Northeast, while the building was under construction. With this help and his calm, reassuring manner he has built our school into one of the best.

Preceding his assignments at Northeast High, he was assistant principal at Harding Junior High and a teacher in the math department.

Mr. Greene has a Bachelor of Arts Degree from Oklahoma City University and a Masters of Arts Degree from Columbia University.

PRINCIPAL

AND

VICE-PRINCIPAL

Mace Spangler came to Northeast in 1939 as a teacher. He served in World War II, and returned as assistant principal in which capacity he has worked except while he served in the Korean emergency in the U. S. Air Force.

Mr. Spangler is very friendly and understanding. He is usually busy, but is ready and willing to help whenever needed. Besides being assistant principal he is eleventh grade counselor and instructor in aviation.

Before he came to Northeast as assistant principal, he was assistant principal at Taft Junior High and taught at Roosevelt Junior High.

Mr. Spangler has a Bachelor of Arts Degree and a Masters Degree in Education Administration from Oklahoma University. He has also done some work on a Doctorate Degree in Secondary Education.

Victory, victory, that's our cry!

Y-Teens have been at Northeast for many years. The membership now ranges to about 50 each year. Meetings, usually held once a month are combined with pot-luck suppers held in the home of a member.

Each year at Christmas time, the Annual Y-Teen Christmas formal is held. In order to help pay for their dance, and to lower the dance assessments, girls participate in the selling of Christmas cards.

Nancy Dent, Loyd Warren, Judy Brown, Hal Jones, Carol Lee Daniels and Larry Wilson seem to be enjoying themselves at the annual Y-Teen Christmas Formal.

This program includes service projects, such as singing at Old Folks Homes, making tray favors for hospitals and fixing over old toys for Children's Homes.

A camping trip or two is always included on the year's agenda. These are usually held at Camp Cimarron. With social events too, such as the annual Christmas party, and yearly dance, Horizon always looks forward to a busy and fun-filled year.

Dear Sandra,

You're really a sweet girl. I'm glad I could be in at least one class with you before we graduated. I want to wish you the best of luck in everything, forever, to a most deserving girl.

COACH JOHNNY WALKER

After being here only two years, Coach Walker has built a football team which has broken all records at Northeast by winning nine games and only losing one. Yet he has done more for Northeast than to build a winning football team. He has instilled in the boys and the student body a feeling of sportsmanship and loyalty to our school. We have all absorbed some of his "far and desare." The Student Body of N.H.S. cannot express its feeling of gratitude.

Quarterback David Cross gains fifteen yards in a sweep around right end in the game against Central. Northeast won 20-0. His blocker is Doug Potter.

# FOOTBALL

COACH KARNs

COACH MEREDITH

COACH SWOVELAND

The assistant coaches are an indispensable part of high school coaching. The three assistant coaches we have at Northeast are of the highest quality and character and they deserve much of the credit of building a winning football team. Coach Walker has said many times the assistant coaches work harder than he does and get very little of the credit. Coach Karns coached the varsity and the "B" teams. Coach Meredith is line coach and Coach Swoveland coached the "C" squad and scouted the opposition. They did a great job. The Student Body of N.H.S. takes this opportunity to thank them for their untiring efforts.

Northeast made a fine football record this year as the scores on the opposite page show. We won nine games and lost one, and were unbeaten in Oklahoma. Many of the teams we had not beaten in the last fifteen years. Northwest Classen was the number one team in the state until beaten by Northeast. At the end of the season, we had won the titles of City and State Independent Champions, and were rated number ten in the Class A and AA ratings.

The football boys also brought back some good individual records. David Cross made All-State quarterback and the All-Southern team, with honorable mention for the Highschool All-American team. The football boys who made All-City are: John DeLaney, Harold Copas, Scotty McCasland and David Cross. Coach Walker was voted "Coach of the Year" by the City coaches and was the *OKLAHOMAN AND TIMES* "Coach of the Week."

Scrappy Paul Nelson makes a long run around left end despite the horde of Crooked Oak tacklers. Final score: N.H.S. 45, Crooked Oak 0.

SEPTEMBER The halls are filled with students again as another year gets under way. With the smell of football in the air we start off the season with a "bang" by defeating the first three teams we meet. Time was to tell that we would meet our first and only defeat by a Texas team. A good start in football meant the year was going to be the best Northeast had seen since back in the '40s. The Norseman Scroll provided the information to bring the masses up to date on all the gossip and happenings of the summer.

OCTOBER "Football" rolled along sweeping down on all of the Norseman opponents with smashing victories, including knocking down the number one team in the state, N. W. Classen. The Norket Carnival was one event of the year when girls took over for the night. The whole student body enjoyed all the attractions that a carnival can hold.

NOVEMBER In this month came the end of the football season which left smashing victories and only one defeat. The football record was the best Northeast had had in fourteen years. Everyone will remember this year for the wonderful football team we had. Thanksgiving was celebrated with two assemblies: one to show our appreciation by gifts to the underprivileged, the other was to give the student body an insight into our forefathers' dreams and plans.

DECEMBER The holiday not being far away, and basketball taking over the spotlight, this month was a busy one. The first All-School play was presented to the delight and amusement of the audience. Basketball started slowly, but it gained power with the winning of the Invitational Tournament. The Northeast Highschool Band presented the first of the pre-Christmas assemblies, which was followed by another inspirational assembly, presented by the Choir.

JANUARY Back to school and right into the political campaigns and elections. Basketball moved right along with usually two games a week. Cold weather set in and everything moved faster. The semester was drawing to a close with the examinations and all of that.

FEBRUARY The new officers were installed in their different offices and everyone settled down to a long semester with very few vacations. The basketball boys moved into another tournament in a small blizzard. A high point of the month came when the students had the privilege of hearing a wonderful Brotherhood Assembly.

MARCH Basketball season came toward its close with the Regional Tournament. We came out on top with the title of Regional Champions. We were defeated in the State Class A Tournament but ended a good basketball season. The halls of Northeast were filled with strangely clad students. This meant only one thing, Foreign Language Week, which we all looked forward to. "Great Expectations" appeared on the stage of Northeast to the delight of the student body. The Band presented its second assembly.. Test! - Test! - Test! The week before Easter was taken up with tests. Easter services were held and then a two day vacation!

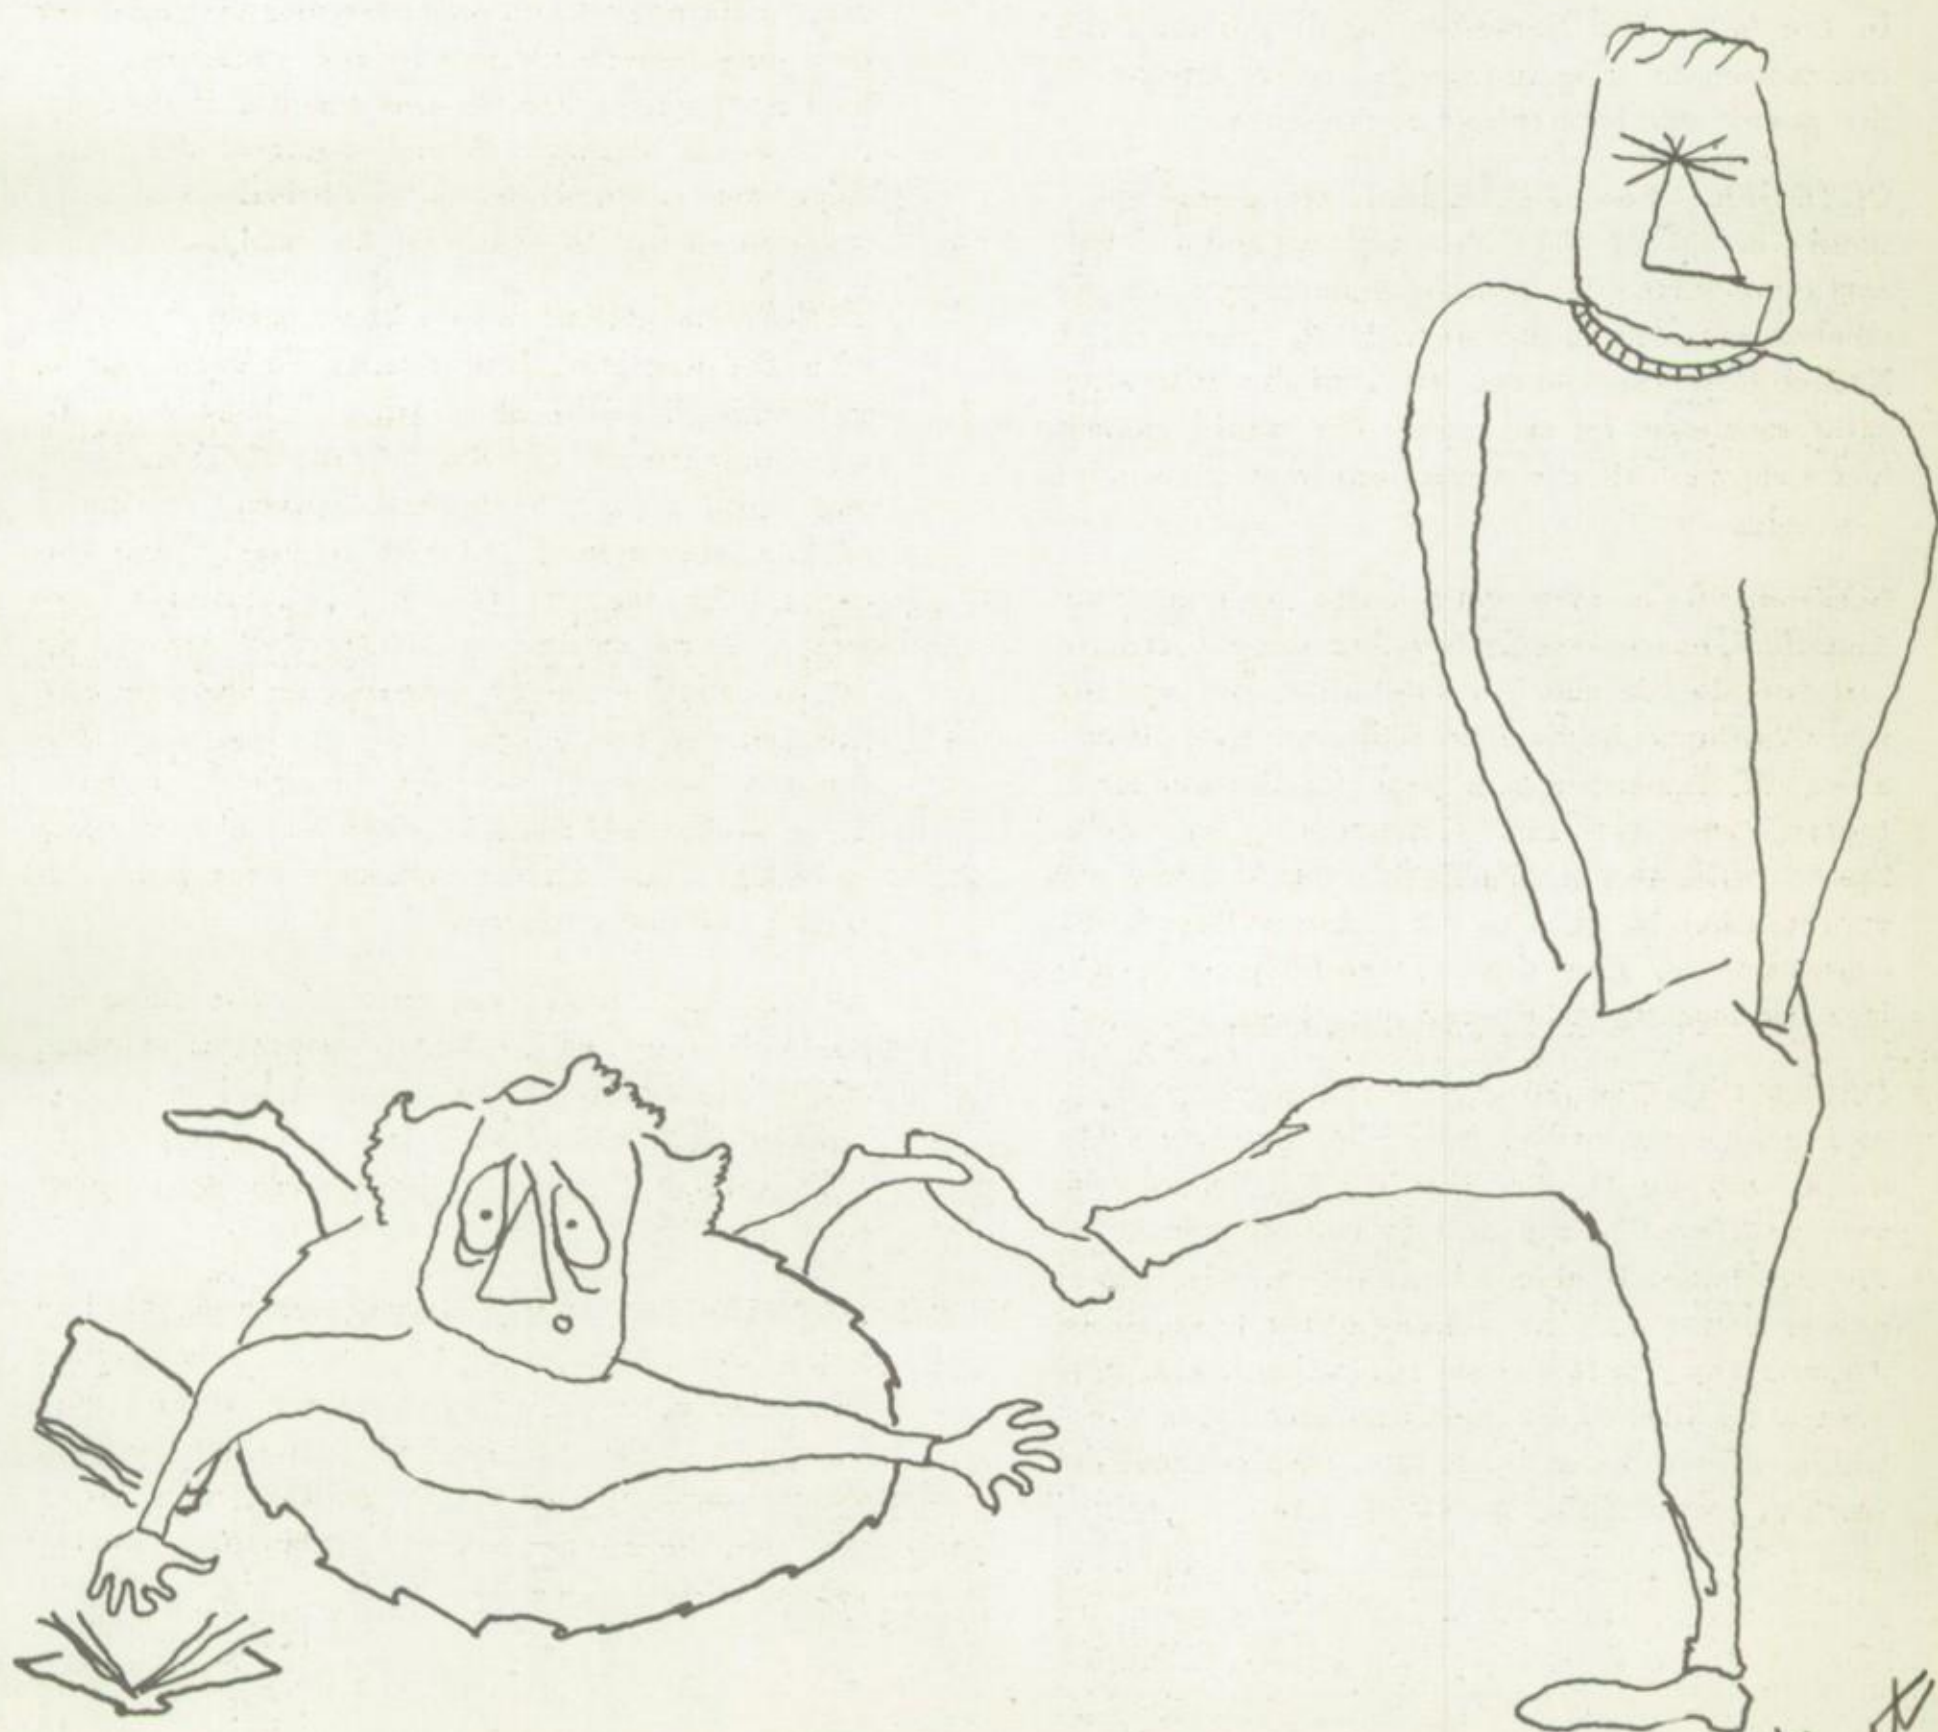

APRIL As "Spring was sprung", out came the baseball team which had a wonderful season. Track also took the spotlight with a very good season. The Viking Varieties came along with a very talented group of performers and a good time for all.

MAY The two awards assemblies were held to honor the lettermen of Northeast. Scholarships and other scholastic honors were bestowed upon members of the student body. Hoorah! The '56 Nordly appears! School is drawing to a close with the Senior Sermon and Graduation, then - school is out! Good by ....

### APPRECIATION

As Editor of the '56 Nordly, I would like to recognize and express the thanks of the staff to all of the merchants and businessmen who helped "Our Yearbook." Their wholehearted support has helped us immensely in the purchasing of advertising for the book dust-cover. The entire faculty of Northeast has been understanding and very helpful. The student body has cooperated in the support of the yearbook by having their pictures made and purchasing the '56 Nordly.

Thanks to all of you,

*Jim Ruster*

Dear Miss S.  
Hi!

Well dear you'll never know how much fun I've had with you and how much fun I wouldn't have had if I hadn't met you.

Remember Doug Crockett, the turtle and the jai birds? What about the time I executed the cat. That was real "Badge 714" stuff!

You a very sweet girl and I don't know what I would have done without you. It would really be lonesome.

At least you and I practiced handwriting in Schumacher's class --- he-he-he --- is the one! tra-la I'm just an undiscovered genius!!!

It sure was nice of you to always supply me with candy, mirror, comb, and rides + money. Yes Sir a "patsy" wouldn't have been better.

But most of all "little butch" I want to congratulate you on little Elizabeth. I think she resembles her father more though --- don't you? But those eyes take after you. Please! Please! Name the next one for me.

Well it really has been sweet and I want to wish you all the luck and happiness in the world. Remember what the old saying says?

All that ends well, smells well."

Love always,

"Little Squirt"

or

"Big Drip"

Dear Sandra,  
I have really  
enjoyed being at  
N.W.S. with you. You  
sure are a sweet  
girl and I wish you  
lots of luck in the  
future. Love  
Beverly

Dear Sandra,  
Well here it is  
our last year, but  
I have enjoyed every  
moment that we've  
been together at lunch,  
at games, at ushering,  
and at school. You will  
be among my fondest  
memories. I want to  
wish you the best  
of everything nice. Luck,  
Love, and happiness  
to a very sweet girl.

Love Always,  
Mary  
Sr. '56

Dear Sandy,  
It really has been  
fun knowing you. I  
hope I will get to know  
you better in the next  
year.

Love always,  
Lucie

Dear Sandy,  
You really are  
a sweetie and I'll  
miss you when  
school's out. Hope  
to see you some this  
summer.

Lots of luck and  
Love  
Mary Lee

Dear Sandy,  
Last few years are  
gone, and were  
ready to receive our  
diplomas. I'll miss  
my friends at N.W.S.  
but I hope you'll  
always remember me.  
You're a wonderful  
girl with a lovely  
personality.

God bless you -  
Mary MCD

Dear Sandy,  
It's been great knowing  
such a sweet & wonderful  
girl. You're a great gal  
& deserve the best. Lots  
of luck, happiness, & best  
wishes for college next  
year (I hope I see you at O.V.)  
and always.

Love ya,  
Juanita Z.

Dear Sandra,  
It has been great  
knowing you and  
living near you.  
You're a real sweet gal  
and I hope you get the  
very best out of life. Good  
luck in the future in all  
you do. God bless you.  
Love,  
Christine L

Dear Sandra, This year  
has really been fun! I wish  
we could have had a class  
or two together, but all the  
same I've really enjoyed  
knowing you.

Best of luck,

Madonna  
Moore

Dear Sandra,

It's been fun  
getting to know  
you this year in  
clothing. Lots  
of luck in college.

Love Ya,  
Mary Kaye
